RE: South Carolina Disconnection Report of Service Terminations
Docket No. 2006-193-EG

Dear Mrs. Boyd:

In accordance with the request of F. David Butler dated January 13, 2005, Duke Energy Progress hereby provides its South Carolina Disconnection Report of Service Terminations for the period July 2013 through September 2013.

The attached information contains the total number of customers whose services have been terminated, the daily number of customers' services that have been involuntarily terminated and the reasons (i.e., nonpayment of bill or deferred payment agreement and fraud or tampering), and the average duration of service interruptions.

If you have any questions, please let me know.

Respectfully submitted,

- 3) Reasons for involuntary terminations: customers were disconnected either for non-payment of electric bills or for conditions on the customer's side of the point of delivery deemed by Duke Energy Progress (DEP) to be dangerous to life or property. Totals were as follows:

Reason	July	August	September
Non payment	1565	1609	1504
Hazard	23	27	24

- 4) Average duration of involuntary terminations:

0.67 days (based on instances in which DEP can confirm that the reconnect is in the same name and same premise as the disconnect)

- 5) Company procedures in effect governing involuntary terminations, including any procedures followed by the utilities to inform customers who faced termination of those regulations and programs which may offer those customers assistance in maintaining their service:

Original document entitled "PEC Residential Delinquent Account Disconnection Procedures – South Carolina" and samples of the company's Final Notice and Notice of Proposed Termination were filed with the Fourth Quarter 2004 report. No changes have been made to these procedures. They continue to be applicable.
